

INSTRUCTIONS. Please Note: This is a new form for LITTER REGISTRATION ONLY

Litter and Kitten Registration is now a 2 step process

- **LITTER Registration** is expected to be completed when the kittens are a **MAXIMUM** of 8 weeks of age and colour becomes apparent. All kittens will be registered as Male/Female only. LITTER REGISTRATION FORMS including all applicable information may be emailed to the registrar
- **KITTEN Registration** is expected to be completed when kittens are 14-16 weeks of age but can be extended until kittens are assessed for breeding or until all kittens are sold and can be registered into their new owner's name.
- **Kitten Registration** **MUST** be completed by the time the kittens are 9 months of age.

ALL KITTENS will be registered into the breeder's name when the litter is registered.

Individual Interim Pedigrees will be issued for each kitten and a Transfer form will be printed on the back of each pedigree.

The pedigrees, with details of transfer or changes filled in on the reverse side of the form, are to be mailed to the registrar when the kittens are microchipped, desexed and when kittens are transferred into their new owner's name.

Any kittens being kept by the breeder are to be microchipped by the age of 16 weeks and the pedigree returned to the registrar for issue of a full pedigree.
